

## **GEM OF THE HILLS**

David Yeager was the recipient of our March Gem of the Hills. Our Gem has been involved in a transportation and wrecker service business, a decorating business, and currently runs an emergency response company with his wife, Judy. He serves as Chairman of the Lake-Sumter MPO board. Handling over 640,000 pounds of ice, David gave the ice to any who needed it and the excess was allowed to melt into a lake to provide relief for our aquifer. Monies from the pallets were given to Minneola Parks and Recreation Department.

In the picture is Ray San Fratello-Chamber President, Mayor Yeager, and Susy Gibson, Community Chair who presented the award to Mayor Yeager.
