Dear City of Minneola,

On behalf of The Villages Elementary of Lady Lake I would like to thank you for the generosity you showed by providing the truck full of ice for the shelter. Your commitment to helping the tornado victims in our community is sincerely appreciated.

The goal of our school is to work hand in hand with the community to make a positive impact in the lives of our children and their families. During this difficult time, donations from supporters such as you have enabled us to reach that goal.

Thanks again for your generous support of our efforts to make a difference.

Best wishes,
